

Two Locals Audition For Pageant of The Arts

16 Jan 1986

AMERICAN FORK—Casting auditions for the 1986 production of Utah Pageant of the Arts will be held at the Pageant Center, 454 North Center, American Fork, January 16, 17, 18, and 20.

Amy and Shalonna Spencer, daughters of Brent and Janett Spencer, of Midway, were among the more than 300 cast members who participated in the production last season and are anxiously awaiting their new casting call this month.

Amy is a 6th grader at the Middle School and Shalonna is a 3rd grader at the Midway Elementary School.

According to producing director David O. Brockbank, about 330 volunteers ages five to adult, will be needed for the fourteenth production of the famed Pageant of the Arts show. All those interested are invited to attend a casting audition, where they will be photographed in the special photo booth, which with one photograph gives the applicants height, a front and profile of the body and body dimensions. Casting is made from the photographs, attempting to match up the applicants with the people depicted on famous paintings and in well known sculpture works which are brought to life with the cast members portraying the people in the art work.

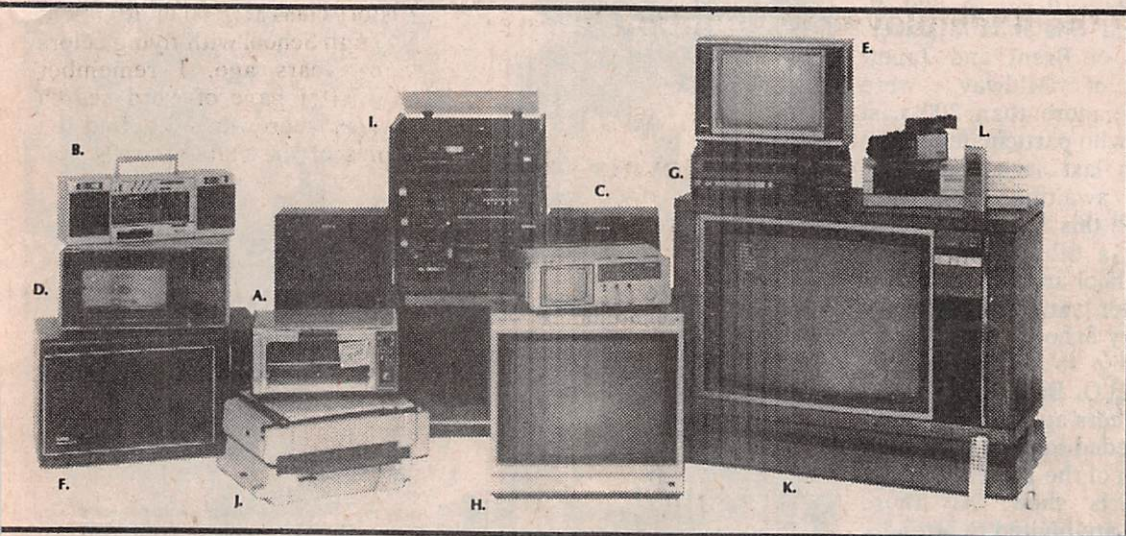

The "living pictures" production has become well known throughout the United States, with more than 27,000 patrons attending each season.

Those desiring to participate may come to the Pageant Center, Thursday and Friday January 16 and 17; from 6 to 9 p.m., or on Saturday January 18 from 9
